## THE COMMON EUROPEAN FRAMEWORK

### Adult courses and CEF levels

This chart shows what adult coursebook level you can expect to select to meet the level guidelines of the CEF.

#### Basic user

- A1** Use a Beginner course or an Elementary course. Elementary courses start in A1 and lead into A2.
- A2** Use an Elementary course.

#### Independent user

The B-band takes longer to complete than the other bands. This is why it is wider in the chart. Progression will depend on the individual student.

- B1** Start with a Pre-Intermediate course. Continue using an Intermediate course.
- B2** Use an Upper-Intermediate course plus exam-specific preparation if relevant.

#### Proficient user

- C1** Use an Advanced course plus exam-specific preparation if relevant.
- C2** Use exam-specific preparation if relevant.

#### Notes

- Strong students could attempt a PET-level exam by the end of a Pre-Intermediate course; the majority will complete an Intermediate course.
- Syllabuses overlap to provide smooth progression; you can expect more overlap in the intermediate band.
- The + levels described in the CEF document simply demonstrate a strong level within a level. This may equate to more language knowledge, or a greater ease in performance, e.g. high level of fluency, good grasp of strategies.

# English for Life

BEGINNER TO PRE-INTERMEDIATE  
A1 TO MID B2

Tom Hutchinson

One page. One lesson. One focus.  
Everything you look for in an English course, made simple.

- Perfectly simple: each lesson is just one page, needing no teaching preparation – simply 'pick up and teach'.
- Distinct language points in short chunks: 80 lessons cover either vocabulary, grammar, skills, or functional language, each with interactive practice on the MultiROM.
- Visual presentation: dialogues, stories, and picture-dictionary style vocabulary make new language easy to understand and remember.
- 'Real life' focus: 'English for Everyday Life' lessons, 'English in the World' cultural feature, and a 'Your life' personalization opportunity in every lesson.
- 'That's life' story: regular episodes provide language review in a real life context.
- Everything in one place for the teacher: an interleaved Teacher's Book with facing-page lesson guide, an extra photocopyable activity per lesson, plus a customizable test CD.

## English Result New

ELEMENTARY AND PRE-INTERMEDIATE  
A1 TO A2+

Mark Hancock and Annie McDonald

The general English course that takes students from 'how to' to 'can do' in every lesson.

*English Result* is a completely new multi-level general English course for adults. A unique two-page lesson formula combines highly visual input on the left-hand page with classroom activities on the right-hand page.

- 'How to ...' lessons provide a clear learning focus and practical language that students can use in everyday situations.
- A whole page of visually stimulating input maximizes student interest at the beginning of each lesson and keeps motivation high throughout.
- 21st-century grammar, vocabulary, and pronunciation syllabus with five-skills coverage gives teachers and students everything they need.
- 'Put it all together' sections in every lesson help students consolidate what they've learned before they leave the classroom.
- An 'I can ...' tick line at the end of every lesson helps students reflect on how well they can use the language.
- A one-page writing lesson per unit consolidates language covered and builds up to a practical written outcome.
